

November 2, 2020

Dear Residents, Families, and Team Members,

We hope you are safe and well. The Governor has made some updates to the visitation guidelines. As a result we will be working to safely bring in our stylists to commence beauty and barber services. We will be categorizing our stylists as a compassionate caregiver and have them sign an acknowledgement and our infectious disease policy. We are anxious to get these services up and running again with all the precautions in place to ensure the safety of our staff and residents.

Because our priority is the care of our residents, it is important decisions be made carefully to balance the need to bring family members together and the safety of all.

Thank you in advance for your understanding and patience with these processes. Enjoy your visits!

Sincerely,

Pilar Carvajal
